KGM TRAVERTINE & MARBLE, took its first steps in the marble sector in 2002. Having been in the business of processing marble since 2002, we have reached our place in the market today by strengthening our foothold with the production of various size of tiles, mosaics and slabs.

The factory building is located at Kocabas Industrial Zone in Denizli. Our factory plant covers 3.000 sqm closed area and 40.000 sqm open area. Investment in the quality of the production lines, always aiming to have a top level in the market, we all welcome you at your factory **KGM TRAVERTINE & MARBLE**.
